### 3. ARBITER:

First half schedules have been released, there have been a great number of turnbacks for various reasons. If you need the day for something "PLEASE" block that day. There will be no questions asked, but don't wait until a game has been assigned to turn it down. Our assignor doesn't need that pain!  
**keep your Arbiter up to date, and learn to check for changes daily.**

### 4. SCRIMAGE:

Shorts are ok to wear to scrimmages, the rest of the officials attire should be worn, black shoes, black socks, striped shirt, whistle.  
But your full uniform is still ok to wear.

### 5. GAMES:

The "R" or referee, please contact your partners whether through email, text or call about arrival time, location and exchange numbers if need be, especially for our new officials as game times, locations and school contacts change from year to year. Help them learn the process.  
Work together with your crew mates and take care of business as the situation dictates. This avocation requires a lot of professionalism. Remember everything is on tape now.

Tom Ryan

@YorkBasketballChp

### 6. CHAPTER DUES:

Our yearly Chapter dues have increased to **\$50/yr.** This is payable to our Treasurer Tom Ryan by check either by mailing a check payable to York Basketball Chapter to 2700 Danielle Drive Dover, PA 17315, paying Tom at a chapter meeting, or sending a Venmo to the Chapter **@YorkBasketballChp** or use the QR code below. To verify your payment, Tom's last four digits of his phone number are **5351.**

**7.) GAME JACKETS:** Only necessary for Varsity games, sub-varsity games are not required. But if you want to order one see President Mike Heisler about ordering one.

\*For games, walk on the court matching, jackets on or jackets off. Not one of each.\*

### 8.) MENTOR PROGRAM:

Kevin Lawrence has volunteered to organize newer officials with experienced officials.

This had been an asset program that we had for many years, please consider being a mentor or a mentee. We've all been new to the officiating game at one time, and many games something happens that we all have questions on. This helps both new and experienced officials.

If you have any interest reach out to Kevin at: [kevin.lawrence@sycsd.org](mailto:kevin.lawrence@sycsd.org)

### 9.) NEW OFFICIALS: "WELCOME TO ALL NEW AND RETURNING OFFICIALS"

It's outstanding to know we had 1 transfer in from another chapter, 7 officials return from inactive or retired status and 13 people take the test to become new officials.

**"REPOSTED FROM LAST YEAR, WORTH REPOSTING "**

**Dr. James Naismith's Original 13 Rules of Basketball**

Basketball was originally two words. These original rules were published Jan. 15, 1892, in the Springfield College school newspaper, The Triangle.

1. The ball may be thrown in any direction with one or both hands.
2. The ball may be batted in any direction with one or both hands (never with the fist)
3. A player cannot run with the ball. The player must throw it from the spot on which he catches it, allowance to be made for a man who catches the ball when running at a good speed if he tries to stop.
4. The ball must be held in or between the hands; the arms or body must not be used for holding it.
5. No shouldering, holding, pushing, tripping, or striking in any way the person of an opponent shall be allowed; the first infringement of this rule by any player shall count as a foul, the second shall disqualify him until the next goal is made, or, if there was evident intent to injure the person, for the whole of the game, no substitute allowed.
6. A foul is striking at the ball with the fist, violation of Rules 3,4, and such as described in Rule 5.
7. If either side makes three consecutive fouls, it shall count a goal for the opponents (consecutive means without the opponents in the mean time making a foul).
8. A goal shall be made when the ball is thrown or batted from the grounds into the basket and stays there, providing those defending the goal do not touch or disturb the goal. If the ball rests on the edges, and the opponent moves the basket, it shall count as a goal.
9. When the ball goes out of bounds, it shall be thrown into the field of play by the person first touching it. In case of a dispute, the umpire shall throw it straight into the field. The thrower-in is allowed five seconds; if he holds it longer, it shall go to the opponent. If any side persists in delaying the game, the umpire shall call a foul on that side.
10. The umpire shall be judge of the men and shall note the fouls and notify the referee when three consecutive fouls have been made. He shall have power to disqualify men according to Rule 5.
11. The referee shall be judge of the ball and shall decide when the ball is in play, in bounds, to which side it belongs, and shall keep the time. He shall decide when a goal has been made, and keep account of the goals with any other duties that are usually performed by a referee.
12. The time shall be two 15-minute halves, with five minutes' rest between.
13. The side making the most goals in that time shall be declared the winner. In case of a draw, the game may, by agreement of the captains, be continued until another goal is made.

Any problems, issues, comments and/or corrections let me know,
