Only necessary for Varsity games, sub-varsity games are not required. But if you want to order one see President Mike Heisler about ordering one.

\*For games, walk on the court matching, jackets on or jackets off. Not one of each.\*

#### 7. MENTOR PROGRAM:

Kevin Lawrence has volunteered to organize newer officials with experienced officials.

This had been an asset program that we had for many years, please consider being a mentor or a mentee. We've all been new to the officiating game at one time, and many games something happens that we all have questions on. This helps both new and experienced officials.

If you have any interest reach out to Kevin at: [kevin.lawrence@sycsd.org](mailto:kevin.lawrence@sycsd.org)

#### 8. NEW OFFICIALS:

**Welcome and Congratulations to Keegan Woods, The York Basketball's Chapter first Junior Official.**

Please help, assist the newer officials as the season starts.  
Help with constructive criticism, we were all newbies at one time, and I'm sure we all asked "how did I do?", and asked for recommendations.

**A few things to help point out:**

Sharp whistle

Arm up every time they blow the whistle.

Fist closed on fouls, hand opened on violations.

Focus on your out of bounds lines, not your partners

Focus on your primary and secondary area.

Try not to be straight-lined, and get a good angle for the play.

You don't have to beat the players down court on a fast break, but get in a good position to make a call if necessary.

Help each other with the in-bounds positions,

New foul shooting totals, when we go to the line.

Many more, just help each other.

- 9. RULES INTERPRETERS:** Phil Miller and Mark Carley are open to rules questions and game situations. If you want to remain anonymous email your question to Phil, previous to the meeting and hopefully we will make time to cover questions on mechanics, game situations and more. **10. LITTLESTOWN HIGH SCHOOL:**

Is having extensive construction done in the parking lot area/locker room area.

Parking is limited, best place is to the right of the gym's entrance and enter main doors to gym, or behind school (very limited) Entrance Door #3, will bring you in below the gym.

Also they have lost the locker room until January/February which is basically the end of our season. They will provide a location to change your clothes, but do not have a shower available at this time.

**11. Nomination of Officers:**

As noted above Meeting #5 Monday 12/11/2023, the chapter will be accepting nominations for positions on the executive board. All positions are open, it does not have to be at its term limit to be challenged. The committee accepting nominations will be announced at tonight's meeting 12/4/2023.
