

How To Upload Your Picture Into Your Arbiter Profile

- *Log into* your Arbiter Sports account at www.arbitersports.com
- *Click* on the Profile tab.
- *Click* on the **Green plus sign (+)** on the right-hand side under "Picture" to add your picture.
- *Click* **Choose File** to select your desired picture from your files.

Note: To save a picture to choose: take a picture of yourself with a mobile device such as your iPhone. Email your selected picture to your personal email address, then save your picture to your personal computer.

- *Select* the new Image (picture) that you would like to use from your personal computer files.

Note: When you select the **Image (Picture)** you would like to upload, please make sure the picture is one that is professional and in good taste before you post it on the Arbiter website. Note: The image must be either a 'gif' or 'jpeg' file. Arbiter recommends that your image you upload be 200 pixels wide by 200 pixels high. If your image is larger, Arbiter will resize and crop it for you.

- *Click* **Upload**.
- *Verify* your **Picture**
- *Click* **Use This Picture**.

Your new profile picture should appear under the "Picture" section on your profile page and in the top right corner of your account next to your name and group.
